Dear Sir:

Enclosed please find the completed Issue Fee transmittal form (Form PTOL-85) for the above-referenced application. The Issue Fee for this application has already been submitted in previous transmittals, and the application has been changed to large entity status. On October 25, 2007, \$1,020.00 was submitted to pay the Issue Fee and Publication Fee at small entity status. On January 21, 2008 we filed a Declaration Regarding Change of Small Entity Status together with a Request for Continued Examination, both of which were accepted. On April 7, 2008, an additional \$420.00 was submitted to bring the Issue Fee payment to \$1,440.00. To further increase the Issue Fee payment to the recently revised amount for large entity level, the U.S. Patent and Trademark Office additionally charged our USPTO Deposit Account \$1,020.00 on April 8, 2008 for a small entity issue fee, then refunded \$720.00 of that charge. This brought the payment total to \$1,740.00 as of April 8, 2008. The application was subsequently withdrawn from issue again and the money was never refunded.

We ask that the \$1,740.00 which was previously submitted for the Issue Fee payments on October 25, 2007 and April 7-8, 2008 be applied to the current Issue Fee owed.

Due to the recent increase in USPTO fees, an additional \$70.00 is required to satisfy the Issue Fee requirement at large entity level. The Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to Deposit Account No. 18-1579.

Respectfully submitted,

Jon L. Roberts, Ph.D., J.D.
